

$t = 0.0 \text{ s}$

20 μm

A grayscale micrograph showing numerous small, dark, circular particles distributed across a light gray background. Two particles in the lower-right quadrant are highlighted with a small red dot in the center. A white horizontal scale bar is located in the bottom-left corner, with the text "20 μm" positioned above it. In the top-left corner, a dark gray box contains the text "t = 0.0 s".
